ACCUPLACER PREP- WHS EARLY COLLEGE

Go Straight To College Level Math and English! Free Online Accuplacer Prep

The Online Learning Academy is offering a free prep program through EdReady. The online program will help you fill in the gaps in your math and English knowledge and prepare you to do your best on the Accuplacer exams. The program is available 24/7. Study at your own pace from school or home.

To Get Started:
1. Sign up using your email.
2. Enter the access key.
3. Assess your math and English skills.
4. Work through your personalized study plans.
5. Take the placement exams.

Go to **uh.edready.org**, click on Get Started to begin.
Access key: **earlycollegespring2019**

EdReady Quick Start Guide for Students

Registering with EdReady

You need an account to use EdReady, so will need to register before you can start using it.

You should see the logo for your school in the header: if you don't, you need to double-check that you're at the right URL!

To Register:
1. Click the **Get Started** button on the homepage

2. The Sign Up page will open: complete the information (First & Last Name, email address, password, and zip code)
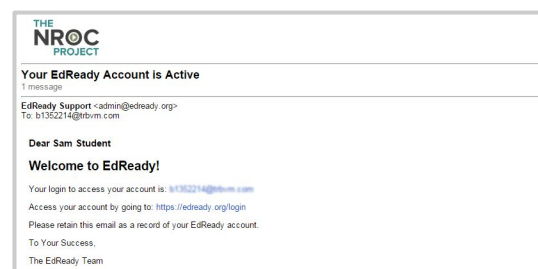

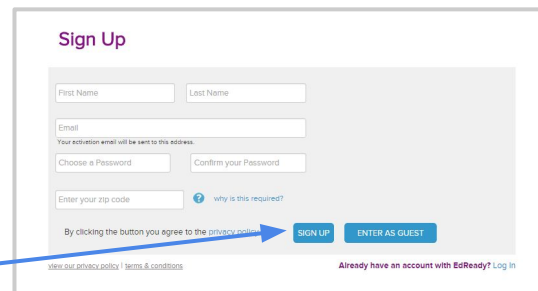

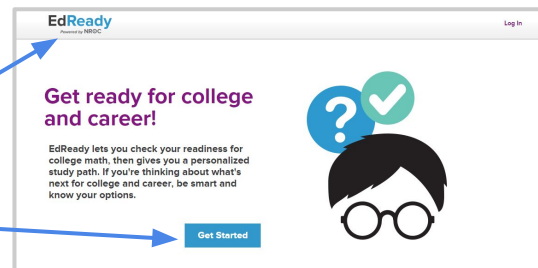

Note: double-check your email address to make sure it is correct – this will be your EdReady username you need to log in, and is the email address that is used if you forget your password
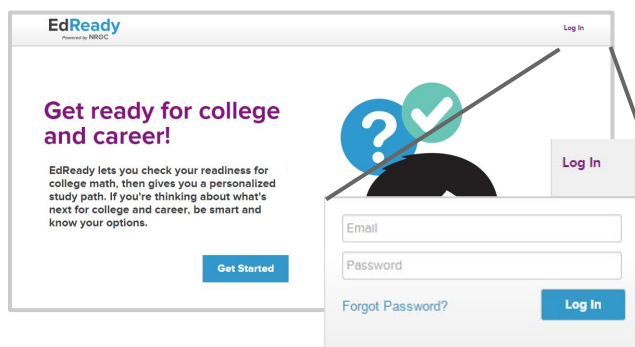

3. Then click the **Sign Up** button

4. Check your inbox for an email confirming your EdReady account. Follow the instructions in the email to activate your account

If you don't get the email within 5 minutes, your email address may have been typed incorrectly. We suggest you try to register again. Tell your instructor right away if you're having trouble so they can reach out to EdReady Support.

5. You should see an on-screen message that your account is active. Log in and you're now ready to start using EdReady!

Logging into EdReady

1. Log into EdReady by clicking the **Log In** link in the header
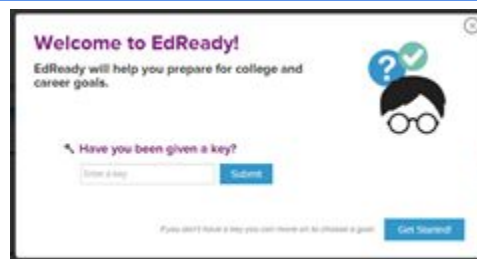

2. Enter your email and password, then click the **Log In** button

Note: If you forget your password, click the Forgot Password? link. You'll be asked to enter your Email Address (the one you used to register with EdReady), and a new password will be emailed to you
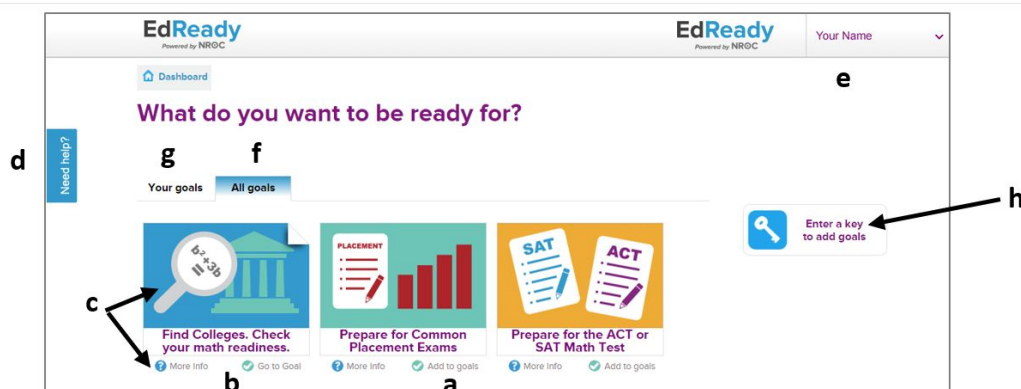

EdReady Quick Start Guide for Students

Goals & your Student Dashboard

The first time you log into EdReady, you'll see a pop-up window like this. If you have been given a key or password, enter it in the textbox and click the **Submit** button. The textbox will be replaced with the name of the goal you entered the password for & joined.

Click the **Get Started!** button or the 'x' in the top right-hand corner to close this window.

If you ever need to enter a key at another time, just click the **Enter a key to add goals** button at any time. (See instructions below under 'h'.)

a. If you want to join a goal you see listed, click on the **Add to goals** link you see under the goal's name

b. If you want to work on a goal you already joined, click the **Go to goal** link: this is what you'll do most times you are working in EdReady. (See more details below in the 'Working on your Goals in EdReady' section)

c. Want more details about a goal? Click on the picture above the goal's name or the **More info** link below the goal's name

d. Click the **Need help?** area to search our knowledge base or reach out (see more details below)

e. Click your name in the header to see a menu where you can **Log Out** of EdReady and access your **My Account** page (to change your password or download your data)

f. The **All goals** tab will show all the goals in EdReady you have joined or can see

g. The **Your goals** tab will show the goals you've already joined

h. Have you been given a key or a password? Click on the **Enter a key to add goals** button and the window shown to the left will open. Enter the key in the textbox and click the **Submit** button.

The textbox will be replaced with the name of the goal you just joined. (If you no longer want to join this goal, click the 'remove this goal' button.)

Click the **Done** button to close this window.

EdReady Quick Start Guide for Students

Working on your Goals in EdReady

Click **Go to Goal** to work on that goal. (You may be asked to choose schools you're interested first). Once you're on a screen like this, click on the **Start assessment** button to begin building your personalized study path.

A window will open where you will be tested on your math knowledge.
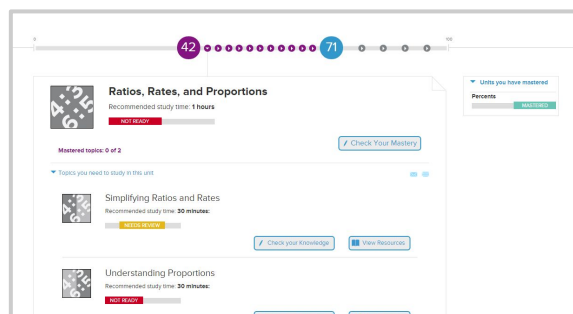

Don't worry if you don't know something – if you don't know the answer to a question, just use the **I don't know** button to skip the question.

If you need to leave the test before you finish, click the **Save and close** button – you'll be able to finish this test at another time.

After you finish the initial test, you'll see a score show up on the scorebar, inside a purple circle. As you work in EdReady, your score will change to reflect your improved knowledge!

Once available, click the **Go to Study Path** button to see and work on the material you still need to work on. After you take the initial test, this is what you'll do to keep working in EdReady.

You'll be able to **Check your knowledge** for each topic, letting you test what you have learned and Master material. You can also **View Resources** for any topic, allowing you to access online courses directly from EdReady.

Want more details about your Study Path & working in EdReady? Visit the User Guide at http://support.edready.org

Need Help using EdReady?

If you need any help using EdReady, you can always click the **Help** tab that shows up on the left-hand side of every page.

In the window that opens, enter some text about what you need help with, then click the **magnifying glass** button to search.

You will see some articles in our Help Center that may be able to help you. Click on the title of any article to have it open in a new tab. (If there are more than 3 articles that meet your search term, click the "View More" button to see the rest of them.)

Not seeing what you need? Click the **Contact Us** button – this will allow you to submit a ticket directly to the EdReady Support team.
